

Rental Income

Your rents at a glance, ready for the sale

Why we ask. Anyone looking to buy a let property asks about the rents first. Please enter the current rent for every flat, every commercial unit and every parking space; the form adds up the totals itself. We do not need your tenants' names. You may complete this on screen or in print.

3 WHAT BUYERS SHOULD ALSO KNOW

STEPPED OR INDEX-LINKED RENT, PLANNED RENT INCREASES, VACANCIES, ARREARS

Data protection. Please do not enter any tenants' names. We use this schedule solely for the sale of your property and share it with serious prospective buyers. Full information is set out in our separate privacy notice under Article 13 GDPR. By signing, you confirm that the details reflect the current position. This is an informal English translation provided for convenience. The legally binding version is the German original.
